Introduction

This guide contains a listing of Civil events available to attorneys on the CM/ECF system in the Southern District of New York. The intention of this guide is to help make it easier for attorneys to locate available Civil events, and to see at a glance a full listing of all events available on the CM/ECF system.

Searching For an Event in CM ECF

In addition to this guide, users can utilize the search functionality available on the CM/ECF system. From the CM/ECF Main Menu bar at the top of the screen, locate the **Search** menu item (see **Figure 1**).

Figure 1

Enter one or more characters, or a keyword in the **Search Menus and Events** text box, and click the [Search] button (see **Figure 2**).

Figure 2

For example, entering the characters “att” in the Search Menus and Events text box will return all matching menu items and events that contain the characters “att”. This may result in a listing of all events and menus containing the word “attorney”, “attach”, “attachment”, or other event or menu item. You can then click on the item you want, to go to that item directly. (see **Figure 3**).

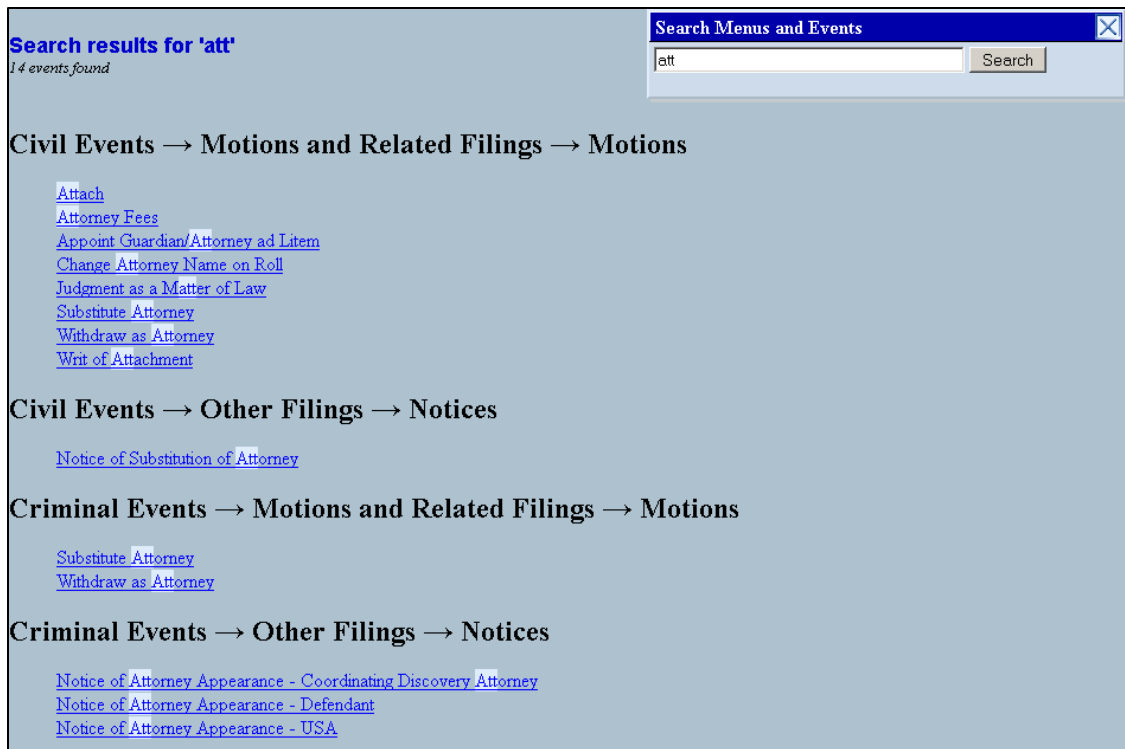

Figure 3

Please note that documents which you are electronically filing may have slightly different titles from those which are available on the CM/ECF system. For instance, you may be submitting an “Address Change Notice”, but the most applicable available event on the CM/ECF system will be **Notice of Change of Address**. This is perfectly fine, as long as the available event on the CM/ECF system is reasonably and logically close to what you are filing—the title of your document may not necessarily match the exact title of the most applicable event on CM/ECF. If you are having difficulty finding the correct event on the CM/ECF system for the document you are filing, please contact the CM/ECF Help Desk at (212) 805-0136, Option #2.
